23rd April 2009

Theta Technologies chosen as exclusive distributor for Prompt-U production software

Theta Technologies Pty Ltd is proud to announce that it is the exclusive distributor for Prompt-U production software in Australia and New Zealand.

Prompt-U is a complete production system solution that can work with a company's existing hardware to provide a complete production system solution for the food industry. When Prompt-U and InformationLeader are combined, the seamless combination delivers modern, efficient, and above all user friendly software from the production line through to sales, inventory management and forecasting.

Prompt-U was developed from over 20 years of industry experience and is now used by organisations in multiple industries in the US, the UK and Australia. For further information regarding Prompt-U and InformationLeader please contact Theta Technologies on (07) 3426 6402.
